

Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Wednesday 26 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:

A dry night with fog patches. Thursday fine with sunshine.

This Evening and Tonight:

Any isolated evening showers dying out with cloud clearing to leave a clear, dry night across the area. Cloudier towards Kent, and milder here. Some fog patches forming later in the night across other areas. Grass frost in western areas. Minimum temperature 2 deg C (36 deg F).

Thursday:

A bright day with light winds, once any fog clears. Again perhaps rather cloudy towards Kent. Sunshine will be strong by the afternoon and feeling warmer than recent days. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:

Dry, bright and sunny days and feeling warm. Low cloud affecting southeastern coastlines will extend inland each night, with some misty conditions at times.
